

## **Cetronia Student Government Election**

**Who?** Interested 3<sup>rd</sup>, 4<sup>th</sup>, and 5<sup>th</sup> grade students

**What is student government?**

- Allows every student's ideas to be heard.
- Makes sure that everyone in the school cooperates in the day-to-day responsibilities of being a part of a school community.
- Works together on specific problems, tasks, and events.
- Gives students like you an opportunity to learn about the democratic process and leadership.

**When?** Candidate speeches will take place the week of November 15th, as designated by your teacher.

**How?** Create a speech **no longer than 3 minutes** to present in Flipgrid to your classmates to explain the qualities you possess that will support you in the role of a representative of Student Government. Your speech is the only opportunity to present your strengths and reasons to be elected. Each class will vote for **2 representatives**. You may not hang posters or hand out items to students in an effort to influence their vote.

# Student Government Class Representative

## Permission Slip

I am interested in representing my class as a Student Government Representative. I have read over what Student Government is and I feel that I am able to represent my classmates and school well. I have also discussed being a Class Representative with my parents and they are in support of me taking on this responsibility. I also understand that I need to prepare a **speech only** to put into Flipgrid.

**Please note that Student Government will meet in person from 9:50-10:30. The meeting dates will vary in each month.**

Thank you for your interest in being a Student Government Representative!

Mrs. Sommer

**Please complete the Google form by Tuesday, November 9<sup>th</sup>.**
