

January 2020

CETRONIA MEDIA CENTER NEWS

MEET BB-8 APP-ENABLED ASTROMECH DROID

Over the years, the experience of Star Wars has always lived on screen and in our imaginations. Thanks to advancements in technology, it is now possible to bring a new part of Star Wars into our world. BB-8 is a playful and personable SpheroEdu app-enabled droid. Based on interactions, BB-8 will show a range of expressions and even perk up when commanded by voice. Rather than using the Force, BB-8 is powered by induction charging and connects via Bluetooth with Media Center device of your choice.

THIS MONTH

Mittens, gloves, hats and scarves can mean only one thing. Winter snug and cozy stories! In January our Kindergartners will be learning about cold-weather animals and hibernation, while reviewing the differences between fiction and non-fiction.

#coding with hedgie

Our December family night was a huge success. Over **60** Cetronia families attended to code with Hedgie and enjoyed self-directed choices of digital literacy and STEM activities.

TYPING JUNGLE

Our 3 – 5 grade students will be polishing their skills touch typing skills with Typing Jungle. This is a carefully designed new lesson plan containing over 650 lessons, games, videos, and much more. Typing Jungle is a part of web based and highly effective. Typing Club, available through Clever.

DID YOU KNOW?

Books helps us to appreciate others

Research shows that by reading realities and fictional story-lines, you can actually learn new emotions and feelings. This is especially useful when you learn to love and respect people from different cultures.

Happy Birthday Rosemary Wells!

Every month we celebrate those amazing writers who create books that kids love.

We are welcoming 2020 with Rosemary wells, who celebrates her birthday on January 29th. She is a writer and illustrator of children's books, best known for the Max & Ruby series, which follows the everyday adventures of sibling bunnies.

Students are welcome to stop by to check our display and learn more!

Happy New Year!
