The Importance of Donating & Volunteering With the PAC

Money donated and raised through the PAC, as well as the sacrifice of each Cetronia family's time by volunteering at our different events, is directly correlated to the activities that each student at Cetronia gets to participate in each year! Field trips, library books, scholarships, teacher grants, new playground equipment, and even school supplies are all made possible because of the PAC!

Dear Hedgehog Families,

Happy Spring!! We wanted to take a few minutes to update you on things the PAC has been up over the winter. Since our last newsletter update we hosted a Virtual Paint Night led by our very own Ms. Hardy, and PJ Whelihan's hosted a very successful Dine and Donate. We also opened up our IronPigs Ticket sales (with over 300 being purchased!), and finished our Otis Spunkmeyer sale! We are excited to have some upcoming in person community events soon so we can all be in person again during the IronPigs game as well as at FunFest in May!

Virtual Paint Night

Our Virtual Paint night was a sold out event and our Hedgehogs had lots of fun! Ms. Hardy did a great job leading the event, and the kids' paintings were wonderful! Thanks again Ms. Hardy for being willing to help our kids have a fun night!

Yearbook Orders

The yearbook order deadline has been extended to April 4th. The free customizable pages are no longer available as the deadline to customize has passed.
