

# Hi Hedgehogs!

*A message from your school nurse Mrs. Pags:*

What a year it has been! Who would have ever imagined a school year like the one we faced? The year was a challenge, but we made it work to the best of our ability and with the resources we had available. We truly appreciate your flexibility and understanding as we navigated our way through the changes and implementation of the Covid guidelines to keep everyone healthy and safe. I am so thankful to be apart of the Cetronia Team!!!

We wish all our Cetronia families and community a safe summer.  
See you next school year!

Warmly,  
Nurse Pagliaro and Nurse Graziano

## Reminders:

- Reminder to send in dentals for any K, 3<sup>rd</sup> graders or any new students for the upcoming 22-23 school year. Also please remember to send in all physicals and updated immunizations for K and any new students for the upcoming 22-23 school year.
- Have a wonderful and safe summer

Please feel free to reach out to the health room for any questions/concerns.

*Alyssa* RN, BSN, CSN
