

PARKLAND ELEMENTARY SCHOOLS - VIRTUAL OPEN HOUSE

Dear Parkland Elementary School Families,

Thank you for a great start to the 2021-2022 school year. Our staff is excited to be working with your children. Next week, each PSD Elementary School will host a Virtual Open House. This event is dedicated to teachers informing our students' families about their expectations for the school year. They will also discuss important procedural items for the school and classroom as well as the curriculum.

Your child's teacher will be communicating with you on how you are able to access the virtual open house session. Any professional staff member who provides instruction to students will have a virtual open house session available to you. You will also have the opportunity to have your questions answered by your child's teacher. Access to the virtual open house will be available after school hours.

This year our open house will be on Wednesday, September 1, 2021. We look forward to providing you insight into your child's classroom for this school year.
