

Dear Parents/Guardians,

Just a friendly reminder to please continue to fill out the Student Wellness Form EVERYDAY. This important form is used to monitor and/or identify students that may have Covid, may be living with a person with Covid, or who may have been a close contact of someone that has been diagnosed with Covid. It is very important for the health and safety of everyone to keep your child home if the answer to any question is “yes.” You will then get a call from your school nurse to discuss your exact situation. Many of the signs and symptoms of Covid are the same as allergies, a cold or other common illness. Please consult your family doctor/pediatrician for advice.

It's great having everyone back to school! Let's make sure we can continue to keep schools open.

Thank you for your help and cooperation!

Nurse Farley
