

Welcome New Cetronia Families,

That probably sounds awkward right now, but I am hopeful over time you will get used to it. The Cetronia staff and I understand there are a lot of feelings when transitioning to a new elementary school. Currently, we are all experiencing a lot of changes, and a new school is an added adjustment for both you and your child. The elementary principals are keeping the same dates for the “lunch bunch with your new principal,” however, they will be done virtually.

Thursday, May 7 - Virtual lunch with the current Parkway Manor students coming to Cetronia

Monday, May 11- Virtual lunch with the current Fogelsville students coming to Cetronia

I will send you more information next week regarding specific meeting times and how they will be hosted. We will monitor Governor Wolf’s COVID 19 orders through the rest of the year and summer to help determine the structure of future building and family orientations.

To help you begin to get familiar with Cetronia, as of this Friday, you will start to receive our 10:00am school-wide email. Also, please consider following Cetronia on Twitter using this Twitter handle @CETHedgehogs. Our school’s homepage is <https://cetronia.parklandsd.org>.

Feel free to email or call me with questions you have regarding your child’s transition to Cetronia. I look forward to meeting and welcoming you and your child to Cetronia Elementary School, Home of the Hedgehogs. Until then, I wish your family much health and success wrapping up your current school year.

Sincerely,  
Jamie

Dr. James P. Giaquinto  
Principal  
Cetronia Elementary School
