

Sock Drive 2019

Hello Cetronia families!

This year student government has decided to run a sock drive that will be donated to Project Keep Warm. We are looking for new, heavy adult winter socks to be donated for the homeless. This campaign will run from December 3rd -December 18th. All donations will be placed in the boxes in the gym hallway. We need your help to make our drive a success! If you have any questions throughout the drive please do not hesitate to contact me at sommerm1@parklandsd.org

Sincerely,

Cetronia's Student Government
